

Skadden's Singapore\* office provides a comprehensive range of services to our clients, concentrating in the areas of mergers and acquisitions, private equity, capital markets (equity and debt, including high-yield), energy and infrastructure projects, privatizations, international litigation and arbitration, funds formation, antitrust, internal and regulatory investigations, FCPA, leveraged finance and project finance. The office is integral to Skadden's representations in nearby countries, including India, Indonesia, Malaysia, Thailand, Vietnam and the Philippines, among other countries.

## **M&A and Private Equity**

Skadden is recognized by *Chambers Asia Pacific* and *Chambers Global* in multiple categories for our work in Singapore, including Capital Markets (International Firms) and Corporate/M&A (International Firms: The Elite). We are also ranked by *The Legal 500 Asia Pacific* for achievements in Capital Markets: Equity and Debt, Corporate/M&A, and International Arbitration and by *Benchmark Litigation: White Collar Crime*. Additionally, within the region, *Chambers Asia Pacific* has ranked Skadden for our work in Indonesia: Corporate & Finance (International Firms).

## **Equity and Debt Capital Markets (Including High-Yield)**

We represent issuers and underwriters in Rule 144A/Regulation S/ private placement/U.S. registered cross-border equity and debt financings by regional companies based in Southeast Asia and the Indian subcontinent. We are recognized as a leading firm for Capital Markets (Equity & Debt) in Singapore by *Chambers Asia Pacific*, *The Legal 500* and *IFLR1000*. Additionally, *The Legal 500* said Skadden is "the cream of the crop that you would go to for the most complex, or the most prestigious deals. Skadden's Singapore team is exceptional for its output quality, hard work and solution-oriented approach." Our Singapore-based Corporate Group received the Equity Market Deal of the Year award for J&T Express' IPO and Debt Market Deal of the Year for Pfizer's debt offering at the 2024 *Asian Legal Business* Southeast Asia Law Awards, as well as the Equity Market Deal of the Year (Premium) award at the 2022 *Asian Legal Business* SE Asia Law Awards.

## **Energy and Infrastructure**

We represent developers, sponsors, financial institutions, industrial companies and utilities in a broad range of energy and infrastructure projects, including power, oil and gas, ports, toll roads and high-speed rail. In this capacity, we frequently advise on the development and financing, as well as the acquisition and divestiture, of such projects.

## **International Litigation and Arbitration**

We have considerable experience handling international arbitration, treaty claims and litigation in the region. Members of the practice have handled cases under the auspices of HKIAC, CIETAC, SIAC, ICC and LCIA, as well as ICSID and UNCITRAL claims. The team also handles regulatory and cross-border investigations and includes attorneys with significant experience in Foreign Corrupt Practices Act matters in Asia. Additionally, the Asia litigation team has U.S.-qualified lawyers who handle U.S.-based cases, including involving securities class actions.

## **Investment Management**

Our investment management attorneys represent leading investors, sponsors and strategic parties in Asia in connection with the formation, capitalization and operation of investment funds and fund managers, including venture funds and venture portfolio transactions.

---

## International Competition

The international competition practice frequently represent clients on a full range of international competition law issues raised in multinational M&A and other transactions. We also advise clients across multiple jurisdictions with anticompetitive conduct issues involving cartels. Our clients rely on our antitrust/competition attorneys' deep background and worldwide reach to draw on the resources of Skadden's global platform, providing focused, integrated services for global mergers and acquisitions, government enforcement and white collar criminal investigations and litigation, trial-level and appellate litigation, and international arbitration.
