Dr. Michael Albrecht vom Kolke advises domestic and international management and supervisory boards in connection with corporate governance, internal investigations and compliance matters. His practice also focuses on advice relating to economic and financial sanctions of the EU.

Dr. Albrecht vom Kolke has been ranked by *Chambers Germany* and *The Legal 500 Deutschland*, with clients describing him as “exceptional” and a “technically brilliant lawyer” who is “incredibly responsive and thorough.” Clients also commend his ability to “represent the facts and provide candid legal advice.” Dr. Albrecht vom Kolke has also been recognized repeatedly by *WirtschaftsWoche* as a Highly Recommended Lawyer in the Compliance and Corporate Law categories. In addition, he has been named a Rising Star in Corporate Governance by multiple publications.

Dr. Albrecht vom Kolke is a frequent speaker and panelist at national and international conferences. He studied law at the universities of Freiburg (Germany) and Grenoble (France). Following the completion of his doctoral thesis at the Max Planck Institute for Foreign and International Criminal Law in Freiburg, he completed his legal preparatory service in Hamburg, Frankfurt, Munich and Pristina (Kosovo).

Dr. Albrecht vom Kolke’s experience includes advising, among others:

Investigations

- a multinational insurance company on an internal investigation concerning whistleblower allegations of accounting fraud, improper reserve formation and workplace harassment
- a global private equity firm on a criminal investigation of a high-level executive of a target company
- a global investment management firm on reviewing business decisions made by the management of one of its joint ventures that caused its financial distress
- **ProSiebenSat.1 Media SE** on an internal investigation by its supervisory board in connection with regulatory requirements of certain subsidiaries and related corporate governance aspects
- the supervisory board of **Continental AG** on an internal investigation in connection with car emissions and related corporate governance matters
- the supervisory board of a multinational manufacturer of industrial goods on an internal investigation into allegations of fraud, violations of food hygiene regulations and related corporate governance matters
- multiple international energy, automotive, banking, industrial goods, consumer goods and IT companies on their discontinuation of business operations in Russia
- a multinational defense, security and aerospace corporation on an investigation into corruption and bribery allegations involving one of its Middle East-based contractors
- the board of directors of a Middle East-based developer and operator of power generation plants on an internal investigation into fraud, bribery and corruption allegations relating to a southeast Asia energy project
- the management board of an international automobile manufacturer on the consequence management of multijurisdictional investigations and litigation in connection with diesel exhaust emissions

- supervisory boards and management boards of multiple financial institutions on the consequence management in connection with so-called “cum/ex” transactions, including internal investigations, ensuing litigation and settlement negotiations
- a management board of a European financial institution on an internal investigation relating to business practices in connection with the so-called “Panama Papers”

EU Sanctions

Numerous clients on compliance with EU sanctions against Russia, Iran, Syria and other sanctions regimes, including:

- a European commercial bank on compliance with EU sanctions in a broad range of business activities, including foreign exchange services, trade finance, loan syndication, cash management, underwriting and retail banking
- a sovereign wealth fund on compliance with EU sanctions in connection with several portfolio companies, including in the oil and gas, transportation and logistics industries
- a global payment services provider on compliance with restrictions on intragroup services under EU sanctions against Russia
- a global life sciences company on compliance with EU sanctions in relation to its health care and agriculture business in Russia
- a global tire manufacturer on compliance with EU sanctions in connection with its group-wide governance framework
- a multinational oil and gas company on compliance with EU sanctions in connection with the exportation and maintenance of high-end technologies and equipment
- several multinational automotive companies on compliance matters relating to EU sanctions on investments in Russia and Crimea
- numerous other clients, including international investment companies, financial institutions, insurers, consultants and corporates across many business sectors, including energy, mining, industrial goods, consumer and luxury goods, automotive, media, communications, IT and tourism
- **SDCL Edge Acquisition Corporation** on its proposed (but terminated) merger with cunova GmbH at an enterprise value of \$736 million
- **Hermann Rosen**, founder of ROSEN Group, a global leader in inspection and integrity management services for energy transmission pipelines, on the sanctions aspects of the sale of ROSEN Group to Partners Group AG
- **Criteo SA** on EU sanctions compliance in connection with its acquisition of shares and assets of the Iponweb group

Russia Exits

Several major multinational companies in various industries on EU sanctions aspects in connection with exiting the Russian market and winding down their business and operations in Russia, including:

- **Unilever PLC** on the sanctions aspect of the sale of its Russia business to Arnest Group
- **Citigroup, Inc.** on AO Citibank’s sale of a portfolio of ruble-denominated personal installment loans and consumer credit card balances to Uralsib
- **Visa Inc.** on EU sanctions compliance in connection with its operations in Russia
- **Renault Group** on the sale of Renault Russia to the city of Moscow and the disposal of its 67.69% interest in AvtoVaz to NAMI
- **L’Occitane** on the divestiture of its Russian business to local management
- **Halliburton** on the sale of its Russia operations to a Russia-based management team made up of former Halliburton employees
- **Ball Corporation** on EU sanctions implications in connection with the \$530 million sale of its beverage packaging business in Russia to Arnest Group
- **International Paper Company**, one of the world’s leading producers of fiber-based packaging and pulp, on sanctions compliance in connection with the sale of its 50% stake in Ilim SA, the holding company of Ilim Group JSC, and its outstanding shares in Ilim Group JSC to its joint venture partners for \$508 million
- **Sylvamo Corporation** on the \$420 million sale of its Russian operations to Pulp Invest Limited Liability Company

Corporate Governance and Compliance
