Bar Admissions

England & Wales

Ben Davies advises private equity sponsors on a wide range of domestic and cross-border transactions, including leveraged buyouts, exits, carve-outs, consortium and minority equity investments and the implementation of management incentive plans.

Mr. Davies also regularly counsels financial sponsor-backed portfolio companies on bolt-on transactions, corporate restructurings and recapitalisations, management incentive schemes, senior management changes and other strategic and day-to-day corporate matters.

His experience spans a range of sectors, including extensive work on transactions in the software, data and analytics, fintech, life sciences, technology and business services sectors.

His representations have included advising:

- **Hg** on a number of matters, including:

- its acquisition of Litera, a leading provider of legal workflow and workspace technology
- its disposal of Kinapse, a leading advisory and operational solutions provider to the global life sciences industry
- its acquisition of CaseWare, a global leader in audit and assurance software
- its acquisition of Prophix, a global leader in Corporate Performance Management (CPM) software
- the acquisitions by its portfolio company, Litera, of DocsCorp, Clocktimizer, Kira Systems and Upper Sigma
- the acquisition by its portfolio company, Prophix, of Sigma Conso, a CPM software and services provider
