Lorenza De Domenico advises on U.K. and international tax matters for large multinational groups in the financial services sector, with particular focus on planning (including in response to Pillar Two), operational and other advisory issues for principal investment companies, REITs and other forms of diversified fund management.

Ms. De Domenico's wide client base includes asset managers, family offices, permanent capital vehicles and investment banks. She actively participates in the Tax Committee for the Alternative Investment Management Association and has drafted submissions for engagement with HM Treasury on the taxation of U.K. and cross-border asset management activities, including in relation to the Investment Manager Exemption and the ongoing reform of the U.K. carried interest regime. Ms. De Domenico has also presented on topics such as recent developments in cross-border fund structuring and utilising the U.K. qualifying asset holding company regime. Representative matters include:

- **a U.S.-based multinational hedge fund and financial services company** in connection with its U.K. and U.S. structure
- **Citi** on its platform fund formation and manager relationships across a number of investments
- **Jane Street Group LLC** in connection with its U.K. and U.S. structure
- **GSA Capital Partners LLP** on various operational aspects of its asset management structure
- **Triple Private Equity**:
 - in connection with a cornerstone investment of €150 million into Triple Private Equity Fund I and a related revenue sharing arrangement
 - on its acquisition of SmartSearch
- **B Flexion** on the combination of Securis Investment Partners LLP and Twelve Capital AG
- **a European family office** that invests in private capital, alternatives and public securities around the world on its internal reorganisation to form a new investment platform managing approximately €400 million cash and assets globally
- **Blackstone** on the launch of Syndicate 2478, a new reinsurance syndicate at Lloyd's
- **I Squared Capital Advisors LLC** on its €1.4 billion acquisition of Arriva Plc from Deutsche Bahn AG
- **BlackRock** on its:
 - acquisition of Kreos Capital, a leading provider of growth and venture debt financing in Europe and Israel
 - acquisition of Preqin at an enterprise value of £2.55 billion
- **Liberty Mutual Insurance Company** on its \$2.5 billion sale of Liberty Seguros, S.A. (Spain) to Generali Group (Italy)
- **EG Group** on its:
 - \$2.8 billion sale of the majority of its Ireland and U.K. businesses to ASDA Group Limited
 - £228 million sale of its remaining U.K. forecourt business to co-founder Zuber Issa

Ms. De Domenico contributes to a variety of *pro bono* projects. She regularly advises charities on structuring and planning, and took part in the firm's Afghan Pro Bono Initiative, during which she worked on asylum applications for vulnerable Afghan children aiming to relocate to the U.K.
