Kata Éles advises international and domestic clients on data protection, artificial intelligence and cybersecurity matters in the financial services, automotive and technology sectors.

Ms. Éles' representations since joining Skadden include:

- **NXP**, a global leader in automotive processing and networking, on the technology aspects of its \$625 million acquisition of TTTech Auto, an Austria-based provider of unique safety-critical systems and middleware for software-defined vehicles
- **BlackRock** on the cybersecurity, data privacy and other foreign direct investment control aspects of its:
 - acquisition, as part of a consortium of investors, including Allianz and T&D Holdings, of Viridium Group, a leading European life insurance consolidation platform, from Cinven at an enterprise value of €3.5 billion
 - \$12 billion acquisition of HPS Investment Partners, LLC
 - acquisition of Preqin at an enterprise value of £2.55 billion
- **Castik Capital** on the data protection and cybersecurity aspects of its acquisition of WATR Group from private equity fund Borromin Capital Management
- **Capgemini SE** — a France-based consulting, technology and outsourcing services provider — on the foreign direct investment aspects of its acquisition of Syniti from Bridge Growth Partners, a technology investment firm
- **BMS Group** (including its stakeholders, Preservation Capital Partners, Eurazeo and BCI) on the data protection, cybersecurity and AI aspects of its acquisition of David Roberts & Partners (DR&P)
- **United Talent Agency (UTA)** on the data protection aspects of its acquisition of European soccer agency ROOF Group GmbH, UTA's largest M&A transaction to date
- **Nokia Corporation** on foreign direct investment aspects of its \$2.3 billion acquisition of Infinera Corporation
- the founders of Berlin-based communications specialist and FRITZ!Box manufacturer **AVM** on the data protection aspects of the sale of a majority stake in the company to European family office Imker Capital Partners and the founders' reinvestment into the new ownership structure
