Julian Goering advises private equity institutions and private investors on a wide range of transactions, including private acquisitions, carve-outs, consortium deals, group restructurings and general corporate matters. Mr. Goering regularly counsels investors' portfolio companies on bolt-on acquisitions and disposals, restructurings, management incentive schemes and other commercial matters, as well as a variety of clients on the execution of exit planning and co-investment terms.

Mr. Goering has been repeatedly recognised as one of *Best Lawyers' Ones To Watch* in the United Kingdom (including in its 2026 edition) for his work in Investment Funds and Private Equity.

Mr. Goering's representations include:

- Corient in the acquisitions of Stonehage Fleming and Stanhope Capital Group to create a \$430 billion independent ultra-high-net-worth wealth manager
- Castik Capital S.à.r.L. on its acquisitions of:
 - Andra Tech Group B.V. from Equistone Partners Europe Limited and other minority investors
 - WATR Group GmbH from Borromin Capital Management GmbH
- Hg on:
 - its investment in Visma AS at an enterprise value of €21 billion
 - the sale of a co-controlling stake in Azets AS to PAI Partners
 - a consortium investment round in Visma at a valuation of €16 billion
 - its co-investment, alongside Montagu Private Equity LLP, in Waystone Group and Waystone's acquisition of KBA Consulting Management Limited
 - its acquisition of Riskalyze, Inc.
 - its investment in Dext
 - a number of portfolio company investment mandates
- JAB Holdings in its acquisition of SYNLAB VPG Limited
- Qatar Investment Authority in connection with its ongoing investment in Tandem Bank
- Litera Corp., a portfolio company of Hg, in its acquisition of the entire issued share capital of Peppermint Technology Limited
- IRIS Software Group Ltd., a portfolio company of Hg, in its acquisition of Dext
- TBAuctions, a portfolio company of Castik Capital S.à.r.L, in its acquisition of Surplex GmbH
- Highbourne Group, a portfolio company of H.I.G. Private Equity, in connection with its acquisition of Plumbworld
- Trackunit, a portfolio company of Hg, in its acquisition of the industrial internet of things business of ZTR
