Dr. Alina Gorstein advises German and international management and supervisory boards on corporate governance, internal investigations and compliance matters.

Dr. Gorstein's experience since joining Skadden includes, among other representations:

- a multinational e-commerce company in connection with an internal investigation into alleged sales-related irregularities
- a global investment management firm in reviewing business decisions made by the management of one of its joint ventures that caused its financial distress
- **ProSiebenSat.1 Media SE** in an internal investigation by its supervisory board in connection with regulatory requirements of certain subsidiaries and related corporate governance matters
- the supervisory board of **Continental AG** in an internal investigation in connection with vehicle emissions and related corporate governance matters
- several clients on compliance matters in relation to political law
