Kyle Hatton regularly advises public and private companies, private equity firms and financial institutions on a variety of corporate matters, including mergers, acquisitions, divestitures, spin-offs, joint ventures and shareholder activism, as well as strategic portfolio reviews, corporate governance and policy issues. He has extensive experience counseling on mergers of equals, regulatory remedies and business carve-out transactions.

In recognition of his work, Mr. Hatton has been named one of Lawdragon's 500 Leading Dealmakers in America.

Examples of Mr. Hatton's representations include:

- DuPont in numerous transactions, including its:
 - \$130 billion merger of equals with The Dow Chemical Company
 - business swap with FMC Corporation exchanging portions of DuPont's crop protection business for FMC's health and nutrition business and cash
 - \$45.4 billion reverse Morris trust spin-off and merger of its nutrition and biosciences business with International Flavors & Fragrances Inc.
 - \$11 billion sale of DuPont's mobility and materials business to Celanese
 - proposed (but terminated) \$5.2 billion acquisition of Rogers Corporation
 - \$1.75 billion acquisition of Spectrum Plastics
 - \$1.8 billion sale of DuPont's Delrin business to funds managed by The Jordan Companies
 - announced intent to spin off its electronics business
 - proxy contest with Trian Partners
- DowDuPont in the separation of its materials science, agriculture and specialty products businesses through the \$39 billion spin-off of Dow, Inc. and \$19 billion spin-off of Corteva, Inc.
- Honeywell International, Inc. in its announced plan to spin off Solstice Advanced Materials, its advanced materials business
- Holcim Ltd. in the \$30 billion spin-off and U.S. listing of Amrize, its North American business
- Twenty First Century Fox in connection with its \$85 billion sale to The Walt Disney Company; its pre-merger \$23 billion spin-off of Fox Corporation; its response to an unsolicited acquisition proposal by Comcast Corporation; and its \$15 billion sale of its stake in Sky plc to Comcast and previously proposed acquisitions of the publicly held portion of Sky it did not already own
- Willis Towers Watson plc in its proposed (but terminated) \$90 billion business combination with Aon plc, the \$4 billion sale of its treaty reinsurance business to Arthur J. Gallagher & Co. and its formation of a greenfield joint venture with Bain to relaunch its treaty reinsurance business
- International Flavors & Fragrances, Inc. in numerous transactions, including:
 - the \$2.9 billion sale of its pharma solutions business to Roquette
 - the \$810 million sale of its cosmetics ingredients business to Clariant

-
