Chiara Iorizzo advises on domestic and cross-border mergers and acquisitions, group restructurings, regulated financings, governance and regulatory matters for private equity sponsors, asset managers, reinsurers, brokers and other financial institutions within the insurance and financial services sector. Ms. Iorizzo counsels clients on their engagement with regulators globally including the Prudential Regulatory Authority, Financial Conduct Authority, Bermuda Monetary Authority, Gibraltar Financial Services Commission and ADGM's Financial Services Regulatory Authority.

Ms. Iorizzo's representations include advising:

- Starr Insurance on the acquisition of the IQUW Group, a leading Lloyd's specialty insurer, reinsurer and managing agent, from Aquiline Capital Partners, Abry Partners LLC and management shareholders
- SiriusPoint Ltd. on the sale of its 49% stake in specialty managing general agent Arcadian Risk Capital to Lee Equity Partners for \$139 million
- BPL (Holdings) Limited, a leading global broker specialising exclusively in credit and political risk insurance, in connection with the sale of a minority stake in BPL (Holdings) Limited to Preservation Capital Partners
- Oak Re on the launch of Lloyd's of London Syndicate 2843 backed by private equity sponsor Bain Capital
- Markerstudy in relation to corporate matters
- the founders of a new insurance platform designed to be an institutional asset manager that will focus on strategic equity investments into sidecars, segregated cells and other collateralized reinsurance vehicles in partnership with leading property and casualty reinsurers and distributors
- an insurance group in an arbitration under the rules of the Centre for Mediation and Arbitration of Paris
- a Gibraltar-based insurance carrier in relation to an equity refinancing, debt restructuring and capital remediation plan with the Gibraltar Financial Services Commission
- a financial sponsor on its investment in a Bermuda-based reinsurance vehicle, covering various regulatory and governance matters
