Daniil Khanin advises public and private companies, private equity firms and portfolio companies on acquisitions, divestitures, mergers, carve-outs, strategic investments, securities offerings and other corporate matters.

Examples of Mr. Khanin's representations include:

- Globalstar, Inc. in its pending \$11 billion sale to Amazon, Inc.
- Foot Locker, Inc. in its \$2.5 billion sale to DICK'S Sporting Goods
- Triumph Group, Inc. in its \$3 billion sale to Warburg Pincus and Berkshire Partners
- DuPont de Nemours, Inc. in its:
 - \$11 billion sale of a majority stake in its Mobility & Materials segment to Celanese Corporation
 - \$1.75 billion acquisition of Spectrum Plastics Group
- Stanley Black & Decker in its:
 - \$760 million sale of its attachments and handheld hydraulic tools business to Epiroc AB
 - \$1.8 billion sale of Consolidated Aerospace Manufacturing to Howmet Aerospace
- Holcim in the \$30 billion spin-off and U.S. listing of Amrize, its North American business
- Apartment Investment and Management Company in its \$10.4 billion reverse spin-off of Apartment Income REIT Corp. and in various acquisitions, dispositions and joint venture transactions
- BioCryst Pharmaceuticals, Inc. in the sale of its European ORLADEYO® business
- Osprey Technology Acquisition Corp., a special purpose acquisition company, in its \$1.1 billion initial business combination with BlackSky Holdings, Inc., a leading geospatial intelligence company
- GX Acquisition Corp., a special purpose acquisition company, in its \$1.25 billion initial business combination with Celularity Inc., a clinical stage biotechnology company
- GX Acquisition Corp. II, a special purpose acquisition company, in its \$328 million initial business combination with NioCorp Developments Ltd., a U.S.-based mineral development company
- Castik Capital in the combination of its portfolio company Waterlogic Group Holdings with Culligan International, a BDT Capital portfolio company
- Apax Partners and its portfolio company Bonterra in Bonterra's acquisition of WeSpire
- OceanSound Partners and its portfolio company Netrix in Netrix's acquisition of the managed IT services business unit of Contegix
- FedEx Corporation in its settlement with activist shareholder D.E. Shaw

Mr. Khanin is actively involved in Skadden's recruiting, corporate training and summer associate programs.
