New York

Rachel M. Kurth advises employers on a full scope of labor and employment matters affecting the workforce.

Ms. Kurth regularly represents clients in connection with a wide range of U.S. and international corporate transactions across a variety of industries. Her practice includes negotiating and drafting sophisticated employment, consulting, restrictive covenant, and separation and release agreements.

Ms. Kurth frequently counsels employers on compliance with federal, state and local laws related to wages and hours, worker classification, discrimination and accommodations, reductions in force, employee leave, workplace health and safety, immigration, and government contractor obligations. She often drafts employer policies and procedures and advises clients on their implementation. Ms. Kurth also advises clients on sensitive matters relating to employee discipline and discharge. Additionally, she has experience conducting internal investigations into employee issues and providing workforce training.

Examples of Ms. Kurth's representations include:

- **BlackRock** in its \$12.55 billion acquisition of Global Infrastructure Partners
- **DuPont** in its:
 - \$11 billion sale of a majority of its Mobility & Materials segment to Celanese Corporation
 - proposed (but) terminated \$5.2 billion acquisition of Rogers Corporation
