Jit Qi Lim advises private equity sponsors, corporate borrowers and financial institutions on a wide range of domestic and cross-border financing transactions.

Ms. Lim's recent experience includes advising:

- **Blackstone** in the financing for the establishment of a reinsurance syndicate at Lloyd's that will be a multiyear participant on AIG's outwards reinsurance program
- **Blue Owl Digital Infrastructure Advisors** (formerly IPI Partners, LLC) in several financings for the construction and fit-out of data centres with more than 108 MW aggregate capacity across Italy, Switzerland and the Nordic region
- **the Ferrero family office** and related investment vehicles in connection with its various term and working capital facilities
- **H.I.G. Capital** in connection with the financing of its acquisition of the France Workwear business of Rentokil Initial
- **Iceland Foods** in connection with its super senior revolving credit facility
- **JAB Holdings** in connection with various term loan and revolving credit facilities for JAB and its investment vehicles
- **Silver Lake Partners** and its portfolio company, Groupe Meilleurtaux, a leading French online and mobile financial services provider, in connection with its term and revolving facilities
