Lisa G. Liu advises a diverse range of clients across industries on various corporate matters and cross-border transactions, with a focus on public and private acquisitions, mergers, divestitures, carve-outs, joint ventures, strategic investments and reorganizations.

Ms. Liu's significant representations include:

- Axcelis Technologies in its \$4.4 billion acquisition of Veeco Instruments Inc. through a stock-for-stock merger
- Bitfarms in its \$175 million acquisition of Stronghold Digital Mining, Inc. through a stock-for-stock merger
- GX Acquisition Corp. II in a \$313 million de-SPAC transaction with NioCorp Developments Ltd.
- Jabil in its \$2.2 billion divestiture of its mobility business to BYD Electronic (International) Company Limited
- IFF in its \$2.85 billion divestiture of its Pharma Solutions business unit to Roquette Frères S.A.
- DuPont in its \$1.75 billion acquisition of Spectrum Plastics Group
- Keurig Dr. Pepper in its \$863 million strategic investment in C4 Energy
- BridgeBio in its \$300 million joint venture investment in GondolaBio
- ByteDance in several transactions, including certain strategic investment and joint venture matters
- Spotify in several matters

Ms. Liu is actively involved in Skadden's corporate training, mentoring and recruitment programs. She has served as a panel speaker for law students at Georgetown University Law Center, Columbia Law School and Syracuse University College of Law.
