Lea Niedling advises German and international management and supervisory boards on corporate governance, internal investigations and compliance matters. She also counsels clients on issues related to EU economic and financial sanctions.

Ms. Niedling's experience since joining Skadden includes advising:

- **GE Vernova Inc.** on the corporate governance aspects of its $9 billion acquisition of Trench Group from Triton Partners
- **Energy Infrastructure Partners** on corporate governance aspects of its 49% investment in BayWa r.e. AG, a global developer and operator of renewable energy projects, in connection with BayWa r.e. AG's comprehensive restructuring
- a multinational e-commerce company in connection with an internal investigation into alleged sales-related irregularities
- **Dover Corporation** on the compliance aspects of its €550 million acquisition of SIKORA AG, a leading provider of precision measurement, inspection and control solutions for production processes in the wire and cable, hose, tube, sheet, optical fiber and plastics industries
- **NXP**, a global leader in automotive processing and networking, on the compliance aspects of its $625 million acquisition of TTTech Auto, an Austria-based provider of unique safety-critical systems and middleware for software-defined vehicles
- a multinational industrial technology company on corruption allegations involving its subsidiary in China
- the supervisory board of **Continental AG** on an internal investigation in connection with car emissions and related corporate governance matters
- **ProSiebenSat.1 Media SE** on an internal investigation by its supervisory board in connection with regulatory requirements of certain subsidiaries and related corporate governance aspects
