Arndt Noeske advises German and international management and supervisory boards on corporate governance, internal investigations and compliance matters.

Mr. Noeske's experience includes advising:

- **GE Vernova Inc.** on the corporate governance aspects of its $9 billion acquisition of Trench Group from Triton Partners
- **Energy Infrastructure Partners** on corporate governance aspects of its 49% investment in BayWa r.e. AG, a global developer and operator of renewable energy projects, in connection with BayWa r.e. AG's comprehensive restructuring
- **Janus Henderson Group plc** in connection with its acquisition of Rantum Capital
- **KONE Corporation** on sanctions aspects of its pending combination with TK Elevator GmbH, a portfolio company of a consortium led by Advent International and Cinven, at a €29.4 billion enterprise value
- **Continental AG** on the favorable resolution of an internal investigation into its supervisory duties in connection with the supply of engine control units and software in its former Powertrain business
- **Mars, Incorporated** on the compliance aspects of its $35.9 billion acquisition of Kellanova. This transaction is the largest-ever buyout in the packaged food industry
