John Shepherd represents energy suppliers, utilities, and other electric power and natural gas market participants in complex litigation before the Federal Energy Regulatory Commission, as well as appellate litigation before the United States Court of Appeals and the Supreme Court. His practice focuses on market design, market power and market manipulation issues in the energy and natural gas markets.

Representative matters have included:

- Public Service Electric & Gas Corp. (and its subsidiaries) in the remand of capacity auction adjustments, *see PSEG Energy Resources & Trade LLC v. FERC*, 665 F.3d 203 (D.C. Cir. 2011); on appeal, along with the PPL Companies and Exelon, of FERC orders holding that there is no right of first refusal for the construction of transmission facilities in PJM Interconnection, LLC., *see Public Serv. Elec. & Gas Co. et al. v. FERC*, No. 12-1382 (D.C. Cir. filed Sept. 17, 2012), and in a multi-petitioner appeal of FERC Order No. 1000 *sub nom. South Carolina Pub. Serv. Auth. v. FERC*, Nos. 12-1232 *et al.* (D.C. Cir. filed July 16, 2012);
- FirstEnergy Corp. in the realignment of its transmission, generation and local utility subsidiaries from the Midwest Independent System Operator to PJM Interconnection, LLC and related proceedings, including the Schedule 39 hearing at FERC, Docket No. 12-715, and an appeal of FERC's Multi-Value Project Orders *sub nom. Ill. Commerce Commission v. FERC*, Nos. 11-3421 *et al.* (7th Cir. filed Oct. 31, 2011);
- PJM Power Providers (P3) in administrative and appellate matters related to the PJM capacity market and Minimum Offer Price Rule (MOPR). See PJM Interconnection, L.L.C., 135 FERC ¶ 61,022, reh'g denied, 137 FERC ¶ 61,145 (2011), reh'g denied, 138 FERC ¶ 61,194 (2012), appeal pending sub nom. N. J. Bd. of Pub. Utils. v. FERC, Nos. 11-4245 et al. (3d Cir. filed Nov. 28, 2011). This representation earlier included a successful defense of PJM's Reliability Pricing Model by various state commissions in Md. Pub. Serv. Comm'n v. FERC, 632 F.3d 1283 (D.C. Cir. 2011);
- Entergy, FPL Energy, Mirant and NRG Inc., in defending the New England Forward Capacity Markets against challenges by state regulators in the United States Court of Appeals for the District of Columbia Circuit, and NRG Inc. in litigation before the United States Supreme Court. See NRG Power Mktg., LLC v. Maine Pub. Utils. Comm'n, 558 U.S. 165 (2010), reh'g in part Maine Pub. Utils. Comm'n v. FERC, 520 F.3d 464 (D.C. Cir. 2008);
