Georg Stickler advises private equity firms and corporate clients in connection with domestic and cross-border M&A, joint ventures, private equity-related and general corporate matters. He also advises on ongoing corporate governance matters.

Mr. Stickler's representations since joining Skadden include advising:

- **GE Vernova Inc.** in its $9 billion acquisition of Trench Group from Triton Partners
- **OBI Group** on its acquisition of several DIY retail stores from HELLWEG and BayWa Bau & Garten
- **Janus Henderson Group plc** in connection with its acquisition of Rantum Capital
