New York

Mari Stonebraker advises clients on issues relating to federal, state and local labor and employment laws in the context of U.S. and multijurisdictional corporate transactions, litigations, arbitrations, mediations, internal investigations, collective bargaining agreements, reductions in force, and the negotiation and drafting of employment agreements, separation agreements and restrictive covenants.

Prior to joining Skadden, Ms. Stonebraker was an associate at another multinational law firm where she focused her practice on employment litigation and complex commercial and securities litigation.
