England & Wales
New York

Clive Wong advises public and private corporations, sovereigns and sovereign wealth funds, financial institutions and private equity sponsors on a broad range of English and New York law capital markets matters. Mr. Wong's practice encompasses debt offerings (investment-grade, sub-investment-grade and high-yield), private placements, liability management transactions and initial public offerings. He also counsels clients on securities law compliance issues and public company representation matters.

Prior to becoming an attorney, Mr. Wong was a financial analyst at a leading investment bank.

Mr. Wong's representative experience includes (* matter handled prior to joining Skadden):
