## Experience

Former Lecturer at the University of Bayreuth (Tax and White Collar Crime Law)

Dr. Helge A. Wiechmann advises clients, including multinational corporations, on all aspects of tax planning and tax controversy. His representations mainly involve cross-border tax planning, domestic and cross-border transactions and tax controversy proceedings, including audits.

Selected representations include:

- **Dürr AG** on the tax structuring aspects of the sale of its environmental technology business (Division Clean Technology Systems Environmental) to investor Stellex Capital Management at an enterprise value of €385 million
- **Dover Corporation** on the tax aspects of its €550 million acquisition of SIKORA AG, a leading provider of precision measurement, inspection and control solutions for production processes in the wire and cable, hose, tube, sheet, optical fiber and plastics industries
- **International Flavors and Fragrances Inc.** on the tax aspects of the sale of its nitrocellulose business, associated production facilities and the Walsrode Industrial Park to Czechoslovak Group A.S.
- **United Talent Agency (UTA)** on the tax aspects of its acquisition of European soccer agency ROOF Group GmbH, UTA's largest M&A transaction to date
- the founders of Berlin-based communications specialist and FRITZ!Box manufacturer **AVM** on the tax aspects of the sale of a majority stake in the company to European family office Imker Capital Partners and the founders' reinvestment into the new ownership structure
