NOTES:

0. New Matters refers to newly received referrals, investigations, and qui tam actions.

1. Settlements and judgments include common law recoveries arising out of our False Claims Act investigations.

2. Relator share awards are calculated on the portion of the settlement or judgment attributable to the relators claims, which may be less than the total settlement or judgment.

Relator share awards do not include amounts recovered in subsection (h) or other personal claims. See 31 U. S. C. 3730(h).

3 Historically, non qui tam settlements and judgments did not include matters separately handled by the United States Attorneys' Offices, as the Civil Division did not maintain that data.

However, beginning October 1, 2019, non qui tam settlements and judgments include settlements and judgments occurring on or after October 1, 2019 in matters separately handled by the United States Attorneys' Offices when those settlements and judgments have been reported to the Civil Division.

NOTES:

\*\* The information reported in this table covers matters in which the primary client agency is neither the Department of Health and Human Services nor the Department of Defense.

0. New Matters refers to newly received referrals, investigations, and qui tam actions.

1. Settlements and judgments include common law recoveries arising out of our False Claims Act investigations.

2. Relator share awards are calculated on the portion of the settlement or judgment attributable to the relators claims, which may be less than the total settlement or judgment.

Relator share awards do not include amounts recovered in subsection (h) or other personal claims. See 31 U. S. C. 3730(h).

3. Historically, non qui tam settlements and judgments did not include matters separately handled by the United States Attorneys' Offices, as the Civil Division did not maintain that data.

However, beginning October 1, 2019, non qui tam settlements and judgments include settlements and judgments occurring on or after October 1, 2019 in matters separately handled by the United States Attorneys' Offices when those settlements and judgments have been reported to the Civil Division.
